The above-captioned debtors and debtors in possession (collectively, the "Debtors")  
respectfully state the following in support of this this application (this "Application"):

---

<sup>1</sup> The last four digits of Debtor Frontier Communications Corporation's tax identification number are 9596. Due to the large number of debtor entities in these chapter 11 cases, for which joint administration has been granted, a complete list of the debtor entities and the last four digits of their federal tax identification numbers are not provided herein. A complete list of such information may be obtained on the website of the Debtors' claims and noticing agent at <https://cases.primeclerk.com/fti>. ### **Relief Requested**

1. Pursuant to sections 105(a) and 363(b) of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), the Debtors request entry of an order, substantially in the form attached hereto as **Exhibit A**, (the “Order”) (a) authorizing the engagement of FTI Consulting, Inc. (together with its wholly owned subsidiaries, agents, and independent contractors, “FTI”), effective as of April 14, 2020 (the “Petition Date”) and (b) designating Carlin Adrianopoli as (“Mr. Adrianopoli”) as the Debtors’ Executive Vice President of Strategic Planning (“EVP”), in accordance with the fee structure described below and pursuant to the terms and conditions of that certain agreement (which superseded the previously executed engagement letter,<sup>2</sup> the “Engagement Letter”) between FTI and the Debtors, dated April 14, 2020 and attached hereto as **Exhibit C**.<sup>3</sup>

2. The Engagement Letter provides that Mr. Adrianopoli will serve as the Debtors’ EVP to assist the Debtors with all phases of these chapter 11 cases. The Engagement Letter also provides for the services of additional staff (the “Additional Personnel,” and together with the EVP, the “FTI Professionals”) to assist the Debtors with their restructuring process. In accordance with the Engagement Letter, the EVP will serve as an executive officer of the Debtors. The Additional Personnel will assist the EVP in the execution of duties set forth more fully herein.

---

<sup>2</sup> Prior to the Engagement Letter, the Debtors engaged FTI as restructuring advisors pursuant to that certain engagement letter dated June 5, 2019 (the “Prior Engagement Letter”).

<sup>3</sup> To the extent that there is any conflict between the actual terms of the Engagement Letter or the Indemnification Provisions (as such may be modified by the Order) and any description or summary of the same herein, the actual terms of the Engagement Letter or the Indemnification Provisions (as such may be modified by the Order) shall control, as applicable.

### **Jurisdiction and Venue**

3. The United States Bankruptcy Court for the Southern District of New York (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, dated February 1, 2012. The Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), to the Court entering a final order in connection with this Application to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

4. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

5. The bases for the relief requested herein are sections 105(a) and 363(b) of the Bankruptcy Code, and Bankruptcy Rule 2016, and rule 2016-1 of the Local Bankruptcy Rules for the Southern District of New York (the “Local Rules”).

### **Background**

6. Frontier Communications Corporation (“Frontier”) is a publicly held provider of telecommunications services and the fourth largest Incumbent Local Exchange Carrier in the United States, offering a broad portfolio of communications services for 4.1 million consumer, commercial, and wholesale customers. Through a series of acquisitions culminating with the 2016 purchase of Verizon Communications Inc.’s broadband and landline services in the states of California, Texas, and Florida (the “CTF Transaction”), the Debtors transformed in scale from a provider of services in mainly rural areas into one of the largest telecommunications businesses in the United States, with 2019 revenue of approximately \$8.1 billion.

7. In the years since the completion of the CTF Transaction, the Debtors have faced industry headwinds stemming from fierce competition in the telecommunications sector and

changing consumer preferences. Moreover, shifting technology has redefined what infrastructure telecommunications companies need to excel in the industry, most notably an industry overhaul from broadband networks relying on copper cables to those relying on optical fiber. These conditions have rendered the Debtors' approximately \$17.5 billion in outstanding funded debt unsustainable.

8. Rather than execute a liability management transaction that would at best delay maturities without addressing their capital structure in a comprehensive manner, the Debtors have negotiated with their key stakeholders. After extensive, arm's-length negotiations that played out over several months, the Debtors executed the Restructuring Support Agreement with certain holders of unsecured notes (the "Noteholder Groups"), which puts the Debtors on a path to file a plan of reorganization during the course of these chapter 11 cases that would maximize stakeholder recoveries, allow operational continuity, and ensure a viable enterprise upon emergence.

9. On the Petition Date, each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. A detailed description surrounding the facts and circumstances of these chapter 11 cases is set forth in the *Declaration of Carlin Adrianopoli, Executive Vice President of Strategic Planning, in Support of Chapter 11 Petitions and First Day Motions* [Docket No. 3] (the "First Day Declaration").

10. The Debtors continue to operate their businesses and manage their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On April 17, 2020, the Court entered an order [Docket No. 78] authorizing the joint administration and procedural consolidation of the chapter 11 cases pursuant to Bankruptcy Rule 1015(b). No request for the appointment of a trustee or examiner has been made in these chapter 11 cases.

11. On May 23, 2020, the U.S. Trustee appointed an official committee of unsecured creditors (the “Committee”) pursuant to section 1102 of the Bankruptcy Code [Docket No. 142].

12. The decision to employ and retain FTI and designate Mr. Adrianopoli as EVP should be authorized because it is a sound exercise of the Debtors’ business judgment. As detailed below, Mr. Adrianopoli has extensive experience as a senior officer and advisor for many companies undertaking restructuring efforts, and the FTI professionals that will work on this matter are well qualified and equipped to assist in EVP duties. FTI and Mr. Adrianopoli, in his capacity as EVP, will provide services that are in the best interests of all parties in interest in these Chapter 11 Cases.

#### **FTI’s Qualifications**

13. In consideration of the size and complexity of their business, as well as the exigencies of the circumstances, the Debtors have determined that the services of experienced restructuring managers will substantially enhance their attempts to successfully reorganize and maximize the value of their estates. The FTI Professionals are well qualified to act on the Debtors’ behalf given their extensive knowledge and expertise with respect to chapter 11 cases.

14. The Debtors are familiar with the professional standing and reputation of FTI. The Debtors understand that FTI has a wealth of experience in providing financial services in restructurings and reorganizations and enjoys an excellent reputation for the services it has rendered in large and complex chapter 11 cases on behalf of debtors and creditors throughout the United States.

15. FTI employs more than 5,500 employees located worldwide. FTI and its professionals work closely with clients on a daily basis to anticipate, illuminate, and overcome complex business challenges in areas such as investigations, litigation, mergers and acquisitions, regulatory issues, reputation management and restructuring. FTI’s vast network of professionals,

which includes, but is not limited to, forensic accountants, certified public accountants, former chief executives, and certified turnaround professionals, enables FTI to guide clients through a wide variety of complex business challenges.

16. Specifically, FTI has extensive experience in providing restructuring services in and out of chapter 11 proceedings and has an excellent reputation for the services it has rendered on behalf of debtors and creditors throughout the United States. Among many other examples, FTI has provided restructuring and turnaround advisory services to clients such as: *In re Purdue Pharma L.P.*, Case No. 19-23649 (RDD) (Bankr. S.D.N.Y. Nov. 1, 2017); *In re Peabody Energy Corp.*, Case No. 16-42529 (BSS) (Bankr. E.D. Mo. Apr. 13, 2016).

17. Mr. Adrianopoli leads the Midwest region for FTI's Corporate Finance and Restructuring segment. Mr. Adrianopoli has more than 20 years of experience serving as a financial advisor and providing interim management and performance improvement services to corporations, various creditor classes, equity owners, and directors of distressed companies. He has provided restructuring services on large and high-profile matters in chapter 11 proceedings and out-of-court workouts. Recently, he served as interim chief financial officer of Outcome Health. Prior to that, he served as a financial advisor to Peabody Energy Corporation during its chapter 11 cases. Mr. Adrianopoli has also served as interim CFO of RadioShack Corporation and as chief restructuring officer at Tactical Holding Operations Inc. during their respective chapter 11 cases.

18. He holds a Master of Business Administration with an emphasis in corporate finance from the University of Notre Dame and a B.S.B.A. in accountancy from John Carroll University. He is a Certified Insolvency and Restructuring Advisor, a Certified Turnaround Professional, and a Certified Public Accountant.

19. In addition to providing a wealth of experience from past advisory roles, Mr. Adrianopoli and the Additional Personnel are intimately familiar with the Debtors' businesses, financial affairs, and capital structure. On June 5, 2019, FTI was engaged to provide certain services to the Debtors pursuant to the Prior Engagement Letter. Since that time, the Additional Personnel, with the guidance of Mr. Adrianopoli, have worked closely with the Debtors' management, employees and other advisors to assist with various matters, including, among other things, assisting with developing accounting and operating procedures to segregate prepetition and post-petition business transactions, supporting the preparation and implementation of first day motions, assisting with treasury operations, cash management, cash forecasting, and management

of receivables and payables, assisting in the development and analysis of various strategic alternatives available to the Debtors, and assisting with evaluating the Debtors' cash flows under a variety of scenarios. As a result, FTI has developed substantial knowledge about the Debtors' operations and financial condition by working closely with the Debtors' management and employees. The Debtors believe that such institutional knowledge will further enable FTI to perform its duties in the most cost-effective, efficient, and timely manner during these Chapter 11 cases. The services of FTI are necessary to enable the Debtors to maximize the value of their estates and to reorganize successfully. Accordingly, the Debtors submit that it is in the estates' best interest to retain FTI for the purpose of providing the Debtors with restructuring advisory services in these Chapter 11 Cases and the designation of Mr. Adrianopoli as EVP on the terms and conditions set forth herein is necessary and appropriate, is in the best interests of the Debtors' estates, creditors, and all other parties-in-interest, and accordingly should be granted in all respects.

#### **Scope of Services**

20. Subject to approval by the Court, the Debtors propose to retain Mr. Adrianopoli as EVP and other personnel of FTI to perform services in connection with FTI's engagement on the terms and conditions set forth in the Engagement Letter except as otherwise explicitly set forth herein or in any order granting this Application.

21. FTI will provide Mr. Adrianopoli to serve as the EVP, reporting to the finance committee (the "Finance Committee") of Frontier's Board of Directors. The EVP, as well as the Additional Professionals, shall have duties as the Finance Committee may from time to time determine, and shall at all times report to and be subject to the supervision of the Finance Committee.

22. FTI has provided and will continue to provide such consulting and advisory services as FTI and the Debtors deem appropriate and feasible in order to advise the Debtors in

the course of these Chapter 11 Cases, including but not limited to the following (any defined terms shall have the meaning ascribed to them in the Engagement Letter):

- Review established cash forecasting and liquidity management and assist with future liquidity management, including, without limitation, the development of a 13 or 26 week cash forecast;
- Analyze the Company's near-term cash obligations, including debt service requirements, capital expenditures and working capital requirements;
- Assist the Company and existing outside advisors hired by the Company, in the refinement and further development of a business plan, which would be shared with creditors, investors, and regulatory authorities in discussions concerning proposals regarding terms of potential forbearances, amendments, modifications and/or restructuring/reorganization of the Company's existing indebtedness or other financial obligations;
- Work with the Company and its advisors in the preparation, design, and presentation of proposals to creditors, investors, and regulatory authorities regarding terms of potential forbearances, amendments, modifications, and/or restructuring/reorganization of the Company's existing indebtedness or other financial obligations;

- Assist the Company in responding to due diligence requests from lenders, other creditors, lessors, vendors, other professionals, investors and regulatory authorities;
- Attend meetings, presentations and negotiations as may be requested by the Debtors;
- Provide certain asset sale services, including assisting with data collection and information gathering related to third party due diligence, and advising and assisting the Debtors and other professionals in developing, negotiating, and executing sales of the Debtors' assets;
- Provide periodic status reports to senior management (including the Chief Transaction Officer), the Board (and shall report directly to the Committee), and the other advisors with respect to the progress of the overall engagement, as requested;
- Analyze and evaluate the likelihood of cost savings initiatives;
- In the event that the Company requires contingency planning:
- Work with senior management to determine what areas of the business will be assisting in providing critical information;

- Work closely and discretely with the designated parties to ensure that accurate and timely data is used in the filing documents;
- In the event the Company commences in-court chapter 11 cases, assist the Company and its advisors in the preparation of any required financial disclosures including, but not limited to, the preparation of schedules of assets and liabilities, statement of financial affairs, monthly operating reports or any other similar period reports, and any necessary or required financial disclosures in connection with any disclosure statement and/or chapter 11 plan;
  - Assist the Company in the valuation of their businesses in the preparation of a liquidation valuation and financial projections for a reorganization plan and/or negotiation purposes;
  - Assist the Company in managing and executing the claims reconciliation process;
  - Provide testimony in the chapter 11 proceedings, as necessary; and
  - Develop timelines and milestones for the designated parties to achieve the target dates.
- Evaluate customer initiatives and analytics
- Provide various analytical support to the Company's finance staff, including operationalizing the business plan and recasting financial statements
- Analyze the Company's video strategy and content costs
- Assist the Company in developing and analyze customer lifetime value analyses
- Support the Company's efforts to optimize its sales channels
- Support the Company's cost reduction efforts, including the Field Ops Microbattle teams and other oversight
- Provide certain technology services, as described in the Addendum, including, but not limited to, data receipt, staging and processing; database management; case management; production support; preparation, and delivery; and on-going professional services
- Estimate the fair market value of certain legal subsidiaries as will be directed by the Company to be used for internal planning purposes to facilitate meeting tax filing requirements; and
- Other services as may be reasonably requested by the Company, and as may be customary in this type of engagement.

23. FTI also provides data receipt and processing; database management; case management; production support, preparation, and delivery; and on-going professional services in support of Frontier through Frontier Technology LLC (“FTI Tech”), pursuant to the Engagement Letter addendum attached to **Exhibit C**.

**Terms of Retention**

24. FTI’s decision to accept this engagement to advise and assist the Debtors was conditioned upon its ability to be retained in accordance with its customary terms and conditions of employment. Additionally, FTI’s engagement is also conditioned on being compensated for its services, and being reimbursed for the out-of-pocket expenses it incurs in accordance with its customary billing practices.

25. In accordance with the terms of the Engagement Letter, attached hereto as **Exhibit C**, FTI will be paid by the Debtors for the services of the FTI Professionals at their customary hourly billing rates. The current hourly rates for the FTI Professionals, subject to periodic adjustments, based on the position held by such the FTI Professionals, are subject to the following range (all such proposed terms the “Fee and Expense Structure”):

<b>Professional</b>	<b>Hourly Billing Rate</b>
Senior Managing Directors	\$920 to \$1,295
Directors/Senior Directors/Managing Directors	\$690 to \$905
Consultants/Senior Consultants	\$370 to \$660
Administrative/Paraprofessionals	\$150 to \$280

26. On account of its data management services, Frontier also charges standardized unit fees that utilize a mix of FTI Tech’s software and personnel, at a rate of \$225 per hour for standard tech time and \$325 per hour for data collection and management, in accordance with the terms of the addendum to the Engagement Letter, attached hereto as **Exhibit C**.

27. In addition to compensation for professional services rendered by the FTI Professionals, FTI will seek reimbursement for reasonable and necessary expenses incurred in connection with these chapter 11 cases, including, but not limited to travel, lodging, computer research, and messenger and telephone charges. All fees and expenses due to FTI will be billed on a monthly basis, or more frequently as agreed to between FTI and the Debtors, as further set forth in the Engagement Letter.

28. Except for the indemnification in Section 6.1 and limitations on liability in paragraph 6.3 of the standard terms and conditions attached as Exhibit A to the Engagement Letter or as otherwise set forth herein, no other provision in the attached Engagement Letter governs the postpetition engagement of FTI. Prior to the Petition Date, the Debtors provided FTI a retainer in the amount of \$250,000.

#### **Fees and Reporting**

29. If the Court approves the relief requested herein, FTI will be retained to provide the Debtors with the FTI Professionals and to designate Carlin Adrianopoli as EVP pursuant to section 363 of the Bankruptcy Code. Because FTI is not being employed as a professional under section 327 of the Bankruptcy Code, FTI will not be required to submit fee applications pursuant to sections 330 and 331 of the Bankruptcy Code. Instead, FTI will file with the Court, with notice to the United States Trustee for the Southern District of New York (the “U.S. Trustee”) and counsel to any statutory committee appointed in these chapter 11 cases (together with the U.S. Trustee, the “Notice Parties”), reports of compensation earned and expenses incurred on at least a quarterly basis. Such compensation and expenses shall be subject to Court review in the event that an objection is filed. In addition, FTI will file with the Court and provide the Notice Parties a report on staffing (the “Staffing Report”) by the 20th day of each month for the previous month, which

report will include the names and tasks filled by all FTI Professionals involved in this matter. The Staffing Report (and FTI's staffing for this matter) will be subject to review by the Court in the event such oversight is requested by any of the Notice Parties.

30. Given the numerous issues that the FTI Professionals have already been required to address in the performance of their services, and will likely be required to address in the future, and given FTI's commitment to the extensive and variable level of time and effort necessary to address all such issues as they arise, and the market prices for such services for engagements of this nature in an out-of-court context, as well as in chapter 11, the Debtors submit that the fee arrangements in the Engagement Letter are reasonable.

#### **Indemnification**

31. As a material part of the consideration for which the FTI Professionals have agreed to provide the services described herein, pursuant to the Engagement Letter (including the indemnification agreement attached to and made a part of the Engagement Letter (the "Indemnification Agreement")), the Debtors have agreed to (a) indemnify the FTI Professionals acting as officers to the same extent as the most favorable indemnification it extends to its officers and directors and to cover such FTI Professionals under the Debtors' director and officer liability policy and (b) indemnify and hold harmless FTI, its affiliates and their respective shareholders, members, managers, employees, agents, representatives, and subcontractors (collectively, the "Indemnified Parties") under certain circumstances. The rights to indemnification shall survive the termination of these chapter 11 cases or any cases into which they may be converted. The Debtors believe the indemnity provisions are a reasonable term and condition of FTI's engagement and were, along with all terms of the Engagement Letter, negotiated by FTI and the Debtors at arm's-length and in good faith. FTI and the Debtors believe that the indemnity provisions are comparable to those indemnification provisions generally obtained by crisis management firms of similar

stature to FTI and for comparable engagements, both in- and out-of-court. The Debtors respectfully submit that the indemnification provisions contained in the Indemnification Agreement, viewed in conjunction with the other terms of FTI's proposed retention, are reasonable and in the best interests of the Debtors, their estates, and creditors in light of the fact that the Debtors require FTI's services to successfully reorganize.

#### **No Duplication Of Services**

32. The Debtors intend for FTI's services to complement, and not duplicate, the services to be rendered by any other professional retained in these cases. FTI understands that the Debtors have retained and may retain additional professionals during the term of the engagement. FTI has worked, and will continue to work, cooperatively as requested by the Debtors with other professionals retained by the Debtors to integrate any respective work conducted by the professionals on behalf of the Debtors.

#### **FTI's Disinterestedness**

33. To the best of the Debtors' knowledge, information, and belief, other than as set forth in the declaration of Carlin Adrianopoli (the "Adrianopoli Declaration"), annexed hereto as **Exhibit B**, FTI: (i) has no connection with the Debtors, their creditors, other parties in interest, or the U.S. Trustee or any person employed by U.S. Trustee; and (ii) does not hold any interest adverse to the Debtors' estates.

34. Although the Debtors submit that the retention of FTI is not governed by section 327 of the Bankruptcy Code, the Debtors attach the Adrianopoli Declaration, which discloses, among other things, any relationship that FTI, Mr. Adrianopoli, or any individual member of the Additional Personnel has with the Debtors, their significant creditors, or other significant parties

in interest known to FTI. Based upon the Adrianopoli Declaration, the Debtors submit that FTI is a “disinterested person” as that term is defined by section 101(14) of the Bankruptcy Code.

35. FTI will conduct an ongoing review of its files to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new material facts or relationships are discovered or arise, FTI will supplement its disclosure to the Court.

36. In the ninety (90) days prior to the Petition Date, the Debtors paid approximately \$13,633,236.23<sup>4</sup> in fees and \$3,193,260.70<sup>5</sup> in expenses to FTI for prepetition services rendered and expenses incurred, corresponding to fees and expenses under the Engagement Letter and Prior Engagement Letter. Further, FTI’s current estimate is that it has received unapplied advance payments from the Debtors in excess of prepetition billings in the amount of \$369,541.41, inclusive of the \$250,000 retainer. FTI shall apply any remaining amounts of its prepetition retainer as a credit toward postpetition fees and expenses, after such postpetition fees and expenses are approved pursuant to an order of the Court awarding fees and expenses to FTI.

#### **Basis for Relief**

37. The Debtors seek approval of the employment of FTI and Mr. Adrianopoli pursuant to section 363 of the Bankruptcy Code, as of April 14, 2020. Section 363(b)(1) of the Bankruptcy Code provides in relevant part that “[t]he trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate . . .” 11 U.S.C. § 363(b)(1). Further, pursuant to section 105(a) of the Bankruptcy Code, the “court may issue any order, process,

<sup>4</sup> As part of the fees \$1,457,359.65 includes a sales tax invoice.

<sup>5</sup> As part of the expenses \$2,832,049.00 includes amounts owed to Delta Partners Corp (“Delta Partners”), as a subcontractor, without any markup to the Company. Delta Partners has since executed a separate engagement letter with the Company and is filing a retention application contemporaneously with this Application.

or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a).

38. Under applicable case law in this and other circuits, if a debtor’s proposed use of its assets pursuant to section 363(b) of the Bankruptcy Code represents a reasonable business judgment on the part of the debtor, such use should be approved. *See, e.g., In re Nine West Holdings, Inc.*, 588 B.R. 678 (Bankr. S.D.N.Y. 2018) (Debtors’ retention of consultant and of individual as interim CEO constituted a sound exercise of their business judgment); *see also In re Lionel Corp.*, 722 F.2d 1063, 1070 (2d Cir. 1983) (“The rule we adopt requires that a judge determining a §363(b) application expressly find from the evidence presented before him at the hearing a good business reason to grant such an application.”); *In re Johns-Manville Corp.*, 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986) (“Where the debtor articulates a reasonable basis for its business decisions (as distinct from a decision made arbitrarily or capriciously), courts will generally not entertain objections to the debtor’s conduct.”).

39. The retention of FTI is a sound exercise of the Debtors’ business judgment. Mr. Adrianopoli has extensive experience as a senior officer and advisor for many troubled companies. The Debtors believe that the FTI Professionals will provide services that benefit the Debtors’ estates and creditors. In light of the foregoing, the Debtors believe that the retention of FTI is appropriate and in the best interests of the Debtors and their estates and creditors. The retention of interim corporate officers and other temporary employees is proper under section 363 of the Bankruptcy Code. Courts in this district have authorized the retention of officers utilizing this provision of the Bankruptcy Code on numerous occasions. *In re Barneys*, Case No. 19-36300 (CMG), (Bankr. S.D.N.Y. Sept. 20, 2019); *In re Hollander Sleep Products, LLC*, Case No. 19-11608 (MEW) (Bankr. S.D.N.Y. July 3, 2019); *In re Sungard Availability Services Capital, Inc.*,

No. 19-22915 (RDD) (Bankr. S.D.N.Y. June 25, 2019); *In re Aegean Marine Petroleum Network Inc.*, No. 18-13374 (MEW) (Bankr. S.D.N.Y. Feb. 20, 2019); *In re Nine West Holdings, Inc.*, No. 18-10947 (SCC) (Bankr. S.D.N.Y. June 14, 2018).

40. In light of the foregoing and in the Adrianopoli Declaration, the Debtors submit that the retention of FTI and the designation of Mr. Adrianopoli as EVP on the terms set forth herein and in the Engagement Letter is necessary, appropriate, and in the best interests of the Debtors, their estates, and all stakeholders, and should be granted in these chapter 11 cases.

**Waiver of Bankruptcy Rule 6004(a) and 6004(h)**

41. To successfully implement the foregoing, the Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

**Motion Practice**

42. This Application includes citations to the applicable rules and statutory authorities upon which the relief requested herein is predicated and a discussion of its application to this Application. Accordingly, the Debtors submit that this Application satisfies Local Rule 9013-1(a).

**Notice**

43. The Debtors have provided notice of this Motion to each of the parties as required by the Case Management Procedures.<sup>6</sup> A copy of this Motion is also available on the website of

**No Prior Request**

44. No prior request for the relief sought in this Application has been made to this or any other court.

WHEREFORE, the Debtors respectfully requests that the Court enter the Order granting the relief requested herein and such other relief as the Court deems appropriate under the circumstances.

1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, dated as a core proceeding pursuant to 28 U.S.C. § 157(b) that this Court may decide by a final order consistent with Article III of the United States Constitution; and this Court having found that venue in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the Debtors' notice of the Application's relief and opportunity for a hearing hereon were appropriate under the circumstances and no other notice thereof need be provided; and upon the record of the hearing held by the Court on May 22, 2020 and all of the proceedings herein; and this Court having found that the terms and conditions of employment, including those set forth in the Engagement Letter and summarized in the Application, are reasonable as required by section 328(a) of the Bankruptcy Code; and this Court having found that FTI is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code; and this Court having found that the relief requested in the Application is necessary and essential for the Debtors' reorganization and such relief is in the best interests of the Debtors' estates, their creditors, and other parties-in-interest; and, after due deliberation, this Court having determined that the legal and factual bases set forth in the Application and at the hearing establish good and sufficient cause for the relief granted herein, provides a material net benefit to the Debtors' estates and creditors after taking into account the Bankruptcy Code's priority scheme, and for the other reasons stated by the Court in its bench ruling at the hearing; now, therefore, it is HEREBY ORDERED THAT:

1. The Application is GRANTED to the extent set forth herein.
2. The terms of the Engagement Letter, including, without limitation, the compensation provisions and the indemnification provisions, as modified by the Application and this Order, are reasonable terms and conditions of employment and are hereby approved.

3. Pursuant to sections 105(a) and 363(b) of the Bankruptcy Code, the Debtors are hereby authorized to retain FTI to provide Debtors with an EVP and certain Additional Personnel and to designate Carlin Adrianopoli as the EVP, effective as of April 14, 2020 on the terms set forth in the Engagement Letter subject to the following terms, which apply notwithstanding anything in the Engagement Letter or the Application or any exhibits related thereto to the contrary:

- (a) FTI and its affiliates shall not act in any other capacity (for example, and without limitation, as a financial advisor, claims agent/claims administrator, or investor/acquirer) in connection with the above-captioned cases.
- (b) In the event the Debtors seek to have FTI personnel assume executive officer positions that are different than the positions disclosed in the Application, or to materially change the terms of the engagement by either (i) modifying the functions of personnel, (ii) adding new executive officers, or (iii) altering or expanding the scope of the engagement, a motion to modify the retention shall be filed.
- (c) FTI shall file with the Court, with copies to the United States Trustee (“U.S. Trustee”) and all official committees, a report of staffing on the engagement for the previous month. Such report shall include the names and functions filled of the individuals assigned. All staffing shall be subject to review by the Court in the event an objection is filed.
- (d) No principal, employee, or independent contractor of FTI and its affiliates shall serve as a director of any of the above-captioned Debtors during the pendency of the above-captioned cases.
- (e) FTI shall file with the Court, and provide notice to the U.S. Trustee and all official committees, reports of compensation earned and expenses incurred on a quarterly basis. Such reports shall contain summary charts which describe the services provided, identify the compensation earned by each executive officer and staff employee provided, and itemize the expenses incurred. All compensation shall be subject to review by the Court in the event an objection is filed.
- (f) Notwithstanding the requirements of paragraph (e) above, the Debtors are authorized, but not directed, to pay, in the ordinary course of business, all amounts invoiced by FTI for fees and expenses incurred in connection with FTI’s retention.
- (g) Success fees, transaction fees, or other back-end fees shall be approved by the Court at the conclusion of the case on a reasonableness standard and are not being pre-approved by entry of this Order. No success fee, transaction

fee, or back-end fee shall be sought upon conversion of the case, dismissal of the case for cause, or appointment of a trustee.

- (h) For a period of three years after the conclusion of the engagement, neither FTI nor any of its affiliates shall make any investments in the Debtors or the Reorganized Debtors.
- (i) FTI shall disclose any and all facts that may have a bearing on whether FTI, its affiliates, and/or any individuals working on the engagement have any interest materially adverse to the interest of the Debtors' estates or of any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason. The obligation to disclose identified in this subparagraph is a continuing obligation.

4. The Debtors are hereby authorized to indemnify Mr. Adrianopoli and the Additional Personnel on the same terms as provided to the Debtors' other officers and directors under the corporate bylaws and applicable state law, along with insurance coverage under the Debtors' D&O policy.

5. Notwithstanding anything in the Engagement Letter to the contrary, FTI shall apply any remaining amounts of its prepetition retainer as a credit toward postpetition fees and expenses, after such postpetition fees and expenses are approved pursuant to an order of the Court awarding fees and expenses to FTI. FTI is authorized without further order of the Court to reserve and apply amounts from the prepetition retainer that would otherwise be applied toward payment of postpetition fees and expenses as are necessary and appropriate to compensate and reimburse FTI for fees or expenses incurred on or prior to the Petition Date consistent with its ordinary course billing practices.

6. In the event of any inconsistency among the Engagement Letter, the Application, and this Order, this Order shall govern.

7. Notice of the Application as provided therein shall be deemed good and sufficient notice of such Application and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

8. Notwithstanding anything to the contrary, the terms and conditions of this Order are immediately effective and enforceable upon its entry.

9. This Court shall retain jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

IN SUPPORT OF THE DEBTORS' APPLICATION FOR  
AN ORDER PURSUANT TO 11 U.S.C. §§ 105(a) AND 363(b)  
AUTHORIZING THE DEBTORS TO (I) RETAIN FTI CONSULTING, INC.  
AND (II) DESIGNATE CARLIN ADRIANOPOLI AS EXECUTIVE VICE  
PRESIDENT, STRATEGIC PLANNING EFFECTIVE AS OF APRIL 14, 2020**

---

I, Carlin Adrianopoli, declare as follows:

1. I am a Senior Managing Director with FTI Consulting, Inc. (together with its wholly owned subsidiaries, agents, independent contractors, and employees, "FTI"). I submit this declaration (this "Declaration") in support of the *Debtors' Application for an Order Pursuant to 11 U.S.C. §§ 105(a) and 363(b) Authorizing the Debtors to (I) Retain FTI Consulting, Inc., and (II) Designate Carlin Adrianopoli as Executive Vice President, Strategic Planning, effective as of April 14, 2020* (the "Application").<sup>2</sup> Except as otherwise noted, all facts herein are based on my personal knowledge, information gathered from review of relevant documents, and information

---

<sup>1</sup> The last four digits of Debtor Frontier Communications Corporation's tax identification number are 9596. Due to the large number of debtor entities in these chapter 11 cases, for which joint administration has been granted, a complete list of the debtor entities and the last four digits of their federal tax identification numbers are not provided herein. A complete list of such information may be obtained on the website of the Debtors' claims and noticing agent at <https://cases.primeclerk.com/fti>. The location of the Debtors' service address for purposes of these chapter 11 cases is: 50 Main Street, Suite 1000, White Plains, New York 10606.

<sup>2</sup> Capitalized terms not defined herein have the meanings ascribed to them in the Application.

supplied by other FTI professionals. If FTI discovers any additional information bearing on the issues discussed herein and in the Application, it will use reasonable efforts to file promptly a supplemental declaration as needed to disclose that information.

**Disinterestedness and Eligibility**

2. In connection with the preparation of this Declaration, FTI conducted a review of its contacts with the Debtors, their affiliates and certain entities holding large claims against or interests in the Debtors that were made reasonably known to FTI. A listing of the parties reviewed is reflected on **Schedule 1** to this Declaration. FTI's review, completed under my supervision, consisted of a query of the **Schedule 1** parties within an internal computer database containing names of individuals and entities that are present or recent former clients of FTI. A summary of such relationships that FTI identified during this process is set forth on **Schedule 2** to this Declaration.

3. Based on the results of this review, FTI does not have a relationship with any of the parties on **Schedule 1** in matters related to these proceedings. FTI has provided and could reasonably be expected to continue to provide services unrelated to the Debtors' cases for the various entities shown on **Schedule 2**. FTI's assistance to these parties has been related to providing various financial restructuring, litigation support, or engineering and scientific investigation consulting services. To the best of my knowledge, no services have been provided to these parties-in-interest which involve their rights in the Debtors' cases, nor does FTI's involvement in this case compromise its ability to continue such consulting services.

4. Further, as part of its diverse practice, FTI appears in numerous cases, proceedings and transactions that involve many different professionals, including attorneys, accountants, and financial consultants, who may represent claimants and parties-in-interest in the Debtors' Chapter

11 Cases. Also, FTI has performed in the past, and may perform in the future, advisory consulting services for various attorneys and law firms, and has been represented by several attorneys and law firms, some of whom may be involved in these proceedings. In addition, FTI has in the past, may currently and will likely in the future be working with or against other professionals involved in these cases in matters unrelated to the Debtors and these cases. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these relationships create interests materially adverse to the Debtors in matters upon which FTI is to be employed, and none are in connection with these cases.

5. According to FTI's books and records, during the ninety (90) days prior to the Petition Date, the Debtors paid approximately \$13,633,236.23<sup>3</sup> in fees and \$3,193,260.70<sup>4</sup> in expenses to FTI for prepetition services rendered and expenses incurred, corresponding to fees and expenses under the Engagement Letter and Prior Engagement Letter. Further, FTI's current estimate is that it has received unapplied advance payments from the Debtors in excess of prepetition billings in the amount of \$369,541.41, inclusive of the \$250,000 retainer. FTI shall apply any remaining amounts of its prepetition retainer as a credit toward postpetition fees and expenses, after such postpetition fees and expenses are approved pursuant to an order of the Court awarding fees and expenses to FTI..

6. FTI does not believe it is a "creditor" with respect to fees and expenses of any of the Debtors within the meaning of section 101(10) of the Bankruptcy Code. Further, neither I nor

---

<sup>3</sup> As part of the fees \$1,457,359.65 includes a sales tax invoice.

<sup>4</sup> As part of the expenses \$2,832,049.00 includes amounts owed to Delta Partners Corp ("Delta Partners"), as a subcontractor, without any markup to the Company. Delta Partners has since executed a separate engagement letter with the Company and is filing a retention application contemporaneously with this Application.

any other member of the FTI engagement team serving the Debtors, to the best of my knowledge, is a holder of any outstanding debt instruments or shares of the Debtors' stock.

7. To the best of my knowledge, no employee of FTI is a relative of, or has been connected with, any judge of the bankruptcy court for this district or the United States Trustee in this district.

8. As such, to the best of my knowledge, FTI is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code, in that FTI is not a creditor, an equity security holder, or an insider of the Debtors;

- (a) is not and was not, within two years before the date of the filing of the Debtors' chapter 11 petitions, a director, officer, or employee of the Debtors; and
- (b) does not have an interest materially adverse to the interest of the Debtors' estates or any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason.

9. In addition, to the best of my knowledge and based upon the results of the relationship search described above and disclosed herein, FTI neither holds nor represents an interest adverse to the Debtors. It is FTI's policy and intent to update and expand its ongoing relationship search for additional parties-in-interest in an expedient manner. If any new material relevant facts or relationships are discovered or arise, FTI will promptly file a supplemental affidavit, as required by Bankruptcy Rule 2014.

#### **Professional Compensation**

10. Subject to Court approval of the Application and in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, applicable U.S. Trustee guidelines, and the Local Rules for the United States Bankruptcy Court for the Southern District of New York,

FTI will seek from the Debtors payment for compensation on a monthly basis for the EVP and the Additional Personnel described in the Application, as well as reimbursement of actual and necessary expenses incurred by FTI. FTI's customary hourly rates as charged in bankruptcy and non-bankruptcy matters of this type by the professionals assigned to this engagement are outlined in the Application. These hourly rates are subject to periodic adjustment.

11. To the best of my knowledge, (i) no commitments have been made or received by FTI with respect to compensation or payment in connection with these cases other than in accordance with applicable provisions of the Bankruptcy Code and the Bankruptcy Rules, and (ii) FTI has no agreement with any other entity to share with such entity any compensation received by FTI in connection with these chapter 11 cases.

12. By reason of the foregoing, I believe FTI is eligible for retention by the Debtors pursuant to sections 105(a) and 363(b) of the Bankruptcy Code and the applicable Bankruptcy Rules and Local Rules.

*[Remainder of page intentionally left blank.]*

**WHEREFORE**, pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge, information, and belief.

CONFIDENTIAL

April 14, 2020

**Re: Frontier Communications Corporation**

Dear Mr. Nielsen:

The purpose of this letter is to confirm the understanding and agreement (the "Agreement") between Frontier Communications Corporation (the "Client" or "Frontier" or the "Company") and FTI Consulting, Inc. ("FTI") concerning the Client's engagement of FTI to provide certain temporary employees to the Client for certain consulting services (the "Services") in connection with the Company. This Agreement is effective on April 14, 2020 (the "Effective Date"). The FTI Standard Terms and Conditions attached hereto as Exhibit "A" are also incorporated herein and forms part of this Agreement.

**1. Temporary Officers, Hourly Temporary Employees and Services**

FTI will provide Carlin Adrianopoli to serve as the Client's Executive Vice President of Strategic Planning (the "EVP" and the "Temporary Officer") reporting to the Finance Committee to whom appropriate authority has been delegated by the Board in connection with the Engagement (the "Committee"). The Temporary Officer, as well as any additional Hourly Temporary Staff, (as defined below), shall have such duties as the Committee may from time to time determine, and shall at all times report to and be subject to supervision by the Committee. Without limiting the foregoing, the Temporary Officers, as well as any Hourly Temporary Staff, shall work with other senior management of the Client, and other professionals, to provide the Services.

In addition to providing the Temporary Officers, FTI may also provide the Client with additional staff (the "Hourly Temporary Staff" and, together with the Temporary Officers, the "FTI Professionals"), subject to the terms and conditions of this Agreement. The Hourly Temporary Staff may be assisted by or replaced by other FTI professionals reasonably satisfactory to the Board and/or Committee, as required, who shall also become Hourly Temporary Staff for purposes hereof. The initial schedule of Hourly Temporary Staff is set out on Exhibit "B". FTI will keep the Committee reasonably informed as to FTI's staffing and will not add additional Hourly Temporary Staff to the assignment without first consulting with the Client.

If cases under the Bankruptcy Code are commenced and our retention is approved, our role will include serving as principal bankruptcy consultants to the debtors and debtors in possession in those cases under a general retainer, subject to court approval. Our role also will encompass all out-of-court planning and negotiations attendant to these tasks.

The Services we will provide in connection with the Engagement will encompass all services normally and reasonably associated with this type of engagement that we are requested and are able to provide and that are consistent with our ethical obligations. With respect to all matters of our Engagement, we will

coordinate closely with the Company as to the nature of the services that we will render and the scope of our engagement.

The Services, to be performed at the direction of the Committee, are expected to include the following:

- Review established cash forecasting and liquidity management and assist with future liquidity management, including, without limitation, the development of a 13 or 26 week cash forecast;
- Analyze the Company's near-term cash obligations, including debt service requirements, capital expenditures and working capital requirements;
- Assist the Company and existing outside advisors hired by the Company, in the refinement and further development of a business plan, which would be shared with creditors, investors, and regulatory authorities in discussions concerning proposals regarding terms of potential forbearances, amendments, modifications and/or restructuring/reorganization of the Company's existing indebtedness or other financial obligations;
- Work with the Company and its advisors in the preparation, design, and presentation of proposals to creditors, investors, and regulatory authorities regarding terms of potential forbearances, amendments, modifications, and/or restructuring/reorganization of the Company's existing indebtedness or other financial obligations;
- Assist in the development and evaluation of any employee compensation and reorganization plans, if needed;
- Assist the Company in responding to due diligence requests from lenders, other creditors, lessors, vendors, other professionals, investors and regulatory authorities;
- Attend meetings, presentations and negotiations as may be requested by the Debtors;
- Provide certain asset sale services, including assisting with data collection and information gathering related to third party due diligence, and advising and assisting the Debtors and other professionals in developing, negotiating, and executing sales of the Debtors' assets;
- Provide periodic status reports to senior management (including the Chief Transaction Officer), the Board (and shall report directly to the Committee), and the other advisors with respect to the progress of the overall engagement, as requested;
- Analyze and evaluate the likelihood of cost savings initiatives;
- In the event that the Company requires contingency planning;
- Work with senior management to determine what areas of the business will be assisting in providing critical information;
- Work closely and discretely with the designated parties to ensure that accurate and timely data is used in the filing documents;
- In the event the Company commences in-court chapter 11 cases, assist the Company and its advisors in the preparation of any required financial disclosures including, but not limited to, the preparation of schedules of assets and liabilities, statement of financial affairs, monthly operating reports or any other similar period reports, and any necessary or required financial disclosures in connection with any disclosure statement and/or chapter 11 plan;
  - Assist the Company in the valuation of their businesses in the preparation of a liquidation valuation and financial projections for a reorganization plan and/or negotiation purposes;
  - Assist the Company in managing and executing the claims reconciliation process;
  - Provide testimony in the chapter 11 proceedings, as necessary; and
  - Develop timelines and milestones for the designated parties to achieve the target dates.
- Evaluate customer initiatives and analytics
- Provide various analytical support to the Company's finance staff, including operationalizing the business plan and recasting financial statements
- Analyze the Company's video strategy and content costs
- Assist the Company in developing and analyze customer lifetime value analyses
- Support the Company's efforts to optimize its sales channels

- Support the Company's cost reduction efforts, including the Field Ops Microbattle teams and other oversight
- Provide certain technology services, as described in the Addendum, including, but not limited to, data receipt, staging and processing; database management; case management; production support; preparation, and delivery; and on-going professional services; and
- Estimate the fair market value of certain legal subsidiaries as will be directed by the Company to be used for internal planning purposes to facilitate meeting tax filing requirements
- Other services as may be reasonably requested by the Company, and as may be customary in this type of engagement.

As usual, our Engagement is to represent the Company and not its individual directors, officers, employees or shareholders. However, we anticipate that in the course of that Engagement, we may provide information or advice to directors, officers or employees in their corporate capacities.

The engagement of FTI to perform the Services shall be subject to the approval of the Bankruptcy Court and shall be substantially as provided in this Agreement as modified by the retention order approved by the Bankruptcy Court. Client agrees, at Client's expense, to file an application (the "Application") to employ FTI as crisis and turnaround manager *nunc pro tunc* to the Effective Date pursuant to § 363 of the Bankruptcy Code. The Client agrees to file all required applications, including the Application, for the employment or retention of FTI at the earliest practical time.

The Services do not include (i) audit, legal, tax, environmental, accounting, actuarial, employee benefits, insurance advice or similar specialist and other professional services which are typically outsourced and which shall be obtained directly where required by the Client at Client's expense; or (ii) investment banking, including valuation or securities analysis, including advising any party or representation of the Client on the purchase, sale or exchange of securities or representation of the Client in securities transactions. FTI is not a registered broker-dealer in any jurisdiction and will not offer advice or its opinion or any testimony on valuation or exchanges of securities or on any matter for which FTI is not appropriately licensed or accredited. An affiliate of FTI is a broker-dealer but is not being engaged by the Client to provide any investment banking or broker-dealer services. The Client agrees to supply office space, and office and support services to FTI as reasonably requested by FTI in connection with the performance of its duties hereunder.

## 2. Compensation to FTI

### Hourly Rates

#### United States

	<u>Per Hour (USD)</u>
Senior Managing Directors	\$920 – 1,295
Directors / Senior Directors / Managing Directors	690 – 905
Consultants/Senior Consultants	370 – 660
Administrative / Paraprofessionals	150 – 280

In addition to the fees outlined above, FTI will bill for reasonable direct expenses which are incurred on your behalf during this Engagement. Direct expenses include reasonable and customary out-of-pocket expenses which are billed directly to this engagement such as internet access, telephone, overnight mail, messenger, travel, meals, accommodations and other expenses specifically related to this engagement. Further, if FTI and/or any of its employees are required to testify or provide evidence at or in connection

with any judicial or administrative proceeding relating to this matter, FTI will be compensated by you at its regular hourly rates and reimbursed for reasonable allocated and direct expenses (including counsel fees) with respect thereto.

The Company agrees to promptly notify FTI if the Company or any of its subsidiaries or affiliates extends (or solicits the possible interest in receiving) an offer of employment to a principal or employee of FTI involved in this Engagement and agrees that FTI has earned and will be entitled to a cash fee, upon hiring, equal to 150% of the aggregate first year's annualized compensation, including any guaranteed or target bonus and equity award, to be paid to FTI's former principal or employee that the Company or any of its subsidiaries or affiliates hires at any time up to one year subsequent to the date of the final invoice rendered by FTI with respect to this Engagement.

**Cash on Account:**

Initially, the Company will forward to us the amount of \$250,000, which funds will be held "on account" to be applied to our professional fees, charges and disbursements for the Engagement (the "Initial Cash on Account"). To the extent that this amount exceeds our fees, charges and disbursements upon the completion of the Engagement, we will refund any unused portion. The Company agrees to increase or supplement the Initial Cash on Account from time to time during the course of the Engagement in such amounts as the Company and FTI mutually shall agree are reasonably necessary to increase the Initial Cash on Account to a level that will be sufficient to fund Engagement fees, charges, and disbursements to be incurred.

We will send the Company periodic invoices (not less frequently than monthly) for services rendered and charges and disbursements incurred on the basis discussed above, and in certain circumstances, an invoice may be for estimated fees, charges and disbursements through a date certain. Each invoice constitutes a request for an interim payment against the fee to be determined at the conclusion of our Services. Upon transmittal of the invoice, we may immediately draw upon the Initial Cash on Account (as replenished from time to time) in the amount of the invoice. The Company agrees upon submission of each such invoice to promptly wire the invoice amount to us as replenishment of the Initial Cash on Account (together with any supplemental amount to which we and the Company mutually agree), without prejudice to the Company's right to advise us of any differences it may have with respect to such invoice. We have the right to apply to any outstanding invoice (including amounts billed prior to the date hereof), up to the remaining balance, if any, of the Initial Cash on Account (as may be supplemented from time to time) at any time subject to (and without prejudice to) the Company's opportunity to review our statements.

In a case under the Bankruptcy Code, fees and expenses may not be paid without the express prior approval of the bankruptcy court. In most cases of this size and complexity, on request of a party in interest, the bankruptcy court permits the payment of interim fees during the case. The Company agrees that, if asked to do so by us, the Company will request the bankruptcy court to establish a procedure for the payment of interim fees during the case that would permit payment of interim fees. If the bankruptcy court approves such a procedure, we will submit invoices on account against our final fee. These interim invoices will be based on such percentage as the bankruptcy court allows of our internal time charges and costs and expenses for the work performed during the relevant period and will constitute a request for an interim payment against the reasonable fee to be determined at the conclusion of our representation.

In preparation for the filing of any cases under the Bankruptcy Code, we also may require an additional on account payment to supplement the Initial Cash on Account to cover fees, charges and disbursements to be incurred during the initial phase of the chapter 11 cases (the "Additional Cash on Account"). We will hold the Additional Cash on Account, as we have the Initial Cash on Account. Of course, the

reasonableness of the Additional Cash on Account remains subject to review by the court in any ensuing case.

If any of the Company's entities become a debtor in one or more cases under the Bankruptcy Code, some fees, charges, and disbursements (whether or not billed) incurred before the filing of bankruptcy petitions (voluntary or involuntary) might remain unpaid as of the date of the filing. The unused portion, if any, of the Initial Cash on Account and the Additional Cash on Account will be applied to any such unpaid pre-petition fees, charges and disbursements. Any requisite court permission will be obtained in advance. We will then hold any portion of the Initial Cash on Account and the Additional Cash on Account not otherwise properly applied for the payment of any such unpaid pre-filing fees, charges and disbursements (whether or not billed) as on account cash to be applied to our final invoice in any case under the Bankruptcy Code.

Post-petition fees, charges and disbursements will be due and payable immediately upon entry of an order containing such court approval or at such time thereafter as instructed by the court. The Company understands that while the arrangement in this paragraph may be altered in whole or in part by the bankruptcy court, the Company shall nevertheless remain liable for payment of court approved post-petition fees and expenses. Such items are afforded administrative priority under 11 U.S.C. § 503(b)(1). The Bankruptcy Code provides in pertinent part, at 11 U.S.C. § 1129(a)(9)(A), that a plan cannot be confirmed unless these priority claims are paid in full in cash on the effective date of any plan (unless the holders of such claims agree to different treatment). It is agreed and understood that the unused portion, if any, of the Initial Cash on Account (as may be supplemented from time to time) and the Additional Cash on Account shall be held by us and applied against the final fee application filed and approved by the court.

Additional Provisions Regarding Fees:

- a) FTI may stop work or terminate the Agreement immediately upon the giving of written notice to the Client (i) if payments are not made in accordance with this Agreement, (ii) if the Application is not approved by the Bankruptcy Court, (iii) if the Chapter 11 case is dismissed or converted to a Chapter 7 proceeding, or (iv) if a Chapter 11 Trustee or other responsible person is appointed.
- b) If, and only if, local Bankruptcy rules or the order approving the Application so require, FTI shall file with and serve on creditors entitled to notice thereof, a statement of staffing, professional services, compensation or expenses, on a quarterly basis, or as the Bankruptcy Court or rules may direct, and creditors and other parties in interest shall have an opportunity to object thereto and request a hearing thereon. (ii) In the event that FTI is employed post-petition as a "professional person" pursuant to § 327 of the Bankruptcy Code, Bankruptcy Court approval will generally be required to pay FTI's fees and expenses for Post-petition Services. In most cases of this size and complexity, on request of a party in interest, the bankruptcy court permits the payment of interim fees during the case. The Client agrees that in this situation it will, at the Client's expense, request the Bankruptcy Court to establish a procedure for the payment of interim fees during the case that would permit payment of interim fees. If the Bankruptcy Court approves such a procedure, we will submit invoices on account against our final fee. These interim invoices will be based on such percentage as the bankruptcy court allows of our internal time charges and costs and expenses for the work performed during the relevant period and will constitute a request for an interim payment against the reasonable fee to be determined at the conclusion of our Engagement.
- c) Any unpaid post-petition fees, charges and disbursements will be due and payable immediately upon entry of an order containing such court approval or at such time thereafter as instructed by

the court. The Client understands that while the arrangement in this paragraph may be altered in whole or in part by the bankruptcy court, the Client shall nevertheless remain liable for payment of court approved post-petition fees and expenses. Such items are afforded administrative priority under 11 U.S.C. § 503(b)(1). The Bankruptcy Code provides in pertinent part, at 11 U.S.C. § 1129(a)(9)(A), that a plan cannot be confirmed unless administrative claims are paid in full in cash on the effective date of any plan (unless the holders of such claims agree to different treatment). It is agreed and understood that the unused portion, if any, of the Cash on Account shall be held by us and applied against the final fee application filed and approved by the court.

- d) Client agrees that FTI is not an employee of the Client and the FTI employees and independent FTI contractors who perform the Services are not employees of the Client, and they shall not receive a W-2 from the Client for any fees earned under this engagement, and such fees are not subject to any form of withholding by the Client. The Client shall provide FTI a standard form 1099 on request for fees earned under this Engagement.
- e) If a dispute develops about our fees, the Company may be entitled under Part 137 of the Rules of the Chief Administrator of the New York Courts to arbitration of that dispute if it involves more than \$150,000.
- f) Copies of Invoices shall be sent by facsimile or email as follows:

To the Client at:  
Frontier Communications Corporation  
401 Merritt 7  
Norwalk, CT 06851

Attention: Mark Nielsen

### **3. Availability of Information**

In connection with FTI's activities on the Client's behalf, the Client agrees (i) to furnish FTI with all information and data concerning the business and operations of the Client which FTI reasonably requests, and (ii) to provide FTI with reasonable access to the Client's officers, directors, partners, employees, retained consultants, independent accountants, and legal counsel. FTI shall not be responsible for the truth or accuracy of materials and information received by FTI under this agreement.

### **4. Notices**

**5. Miscellaneous**

This Agreement: represents the entire understanding of the parties hereto and supersedes any and all other prior agreements among the parties regarding the subject matter hereof; shall be binding upon and inure to the benefit of the parties and their respective heirs, representatives, successors and assigns; may be executed by facsimile (followed by originals sent via regular mail), and in two or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument; and may not be waived, modified or amended unless in writing and signed by a representative of the Client and FTI. The provisions of this Agreement shall be severable. No failure to delay in exercising any right, power or privilege related hereto, or any single or partial exercise thereof, shall operate as a waiver thereof.

Based on our understanding of the parties involved in this matter, we have compiled a list of interested parties (the “Potentially Interested Parties”) and have undertaken a limited review of our records to determine FTI’s professional relationships with the Company and such Potentially Interested Parties. From the results of such review, we are not aware of any conflicts of interest or relationships that we believe would preclude us from performing the Services.

As you know, however, we are a large consulting firm with numerous offices throughout the world. We are regularly engaged by new clients, which may include one or more of the Potentially Interested Parties. The FTI professionals providing services hereunder will not accept an engagement that directly conflicts with this Engagement without your prior written consent.

If this letter correctly sets forth our understanding, please so acknowledge by signing below and returning a signed copy of this letter to us.

Very truly yours,

**EXHIBIT A**

**FTI CONSULTING, INC.**

**STANDARD TERMS AND CONDITIONS**

The following are the Standard Terms and Conditions on which we will provide the Services to you set forth within the attached letter of engagement with the Client dated as of April 14, 2020 (the “Engagement Letter”). The Engagement Letter and these Standard Terms and Conditions annexed thereto (collectively, the “Engagement Contract”) form the entire agreement between us relating to the Services and replace and supersede any previous proposals, letters of engagement, undertakings, agreements, understandings, correspondence and other communications, whether written or oral, regarding the Services. The headings and titles in the Engagement Contract are included to make it easier to read but do not form part of the Engagement Contract.

**1. Reports and Advice**

- 1.1 **Use and purpose of advice and reports**— Any advice given or report issued by us is provided solely for the use and benefit of the Company in connection with the purpose in respect of which the Services are provided. Unless required by law, the Company shall not provide any advice given or report issued by us to any third party, or refer to us or the Services, without our prior written consent, which shall be conditioned on the execution of a third party release letter in the form provided by FTI. In no event, regardless of whether consent has been provided, shall we assume any responsibility to any third party to which any advice or report is disclosed or otherwise made available.

**2. Information and Assistance**

- 2.1 **Provision of information and assistance** – Our performance of the Services is dependent upon the Company and the Company providing us with such information and assistance as we may reasonably require from time to time.
- 2.2 **Punctual and accurate information** – The Company personnel shall use reasonable skill, care and attention to ensure that all information we may reasonably require is provided on a timely basis and is accurate and complete and relevant for the purpose for which it is required. The Company shall also notify us if the Company learns that the information provided is incorrect or inaccurate or otherwise should not be relied upon.
- 2.3 **No assurance on financial data** – While our work may include an analysis of financial and accounting data, the Services will not include an audit, compilation or review of any kind of any financial statements or components thereof. Company management will be responsible for any and all financial information they provide to us during the course of this Engagement, and we will not examine or compile or verify any such financial information. Moreover, the circumstances of the Engagement may cause our advice to be limited in certain respects based upon, among other matters, the extent of sufficient and available data and the opportunity for supporting investigations in the time period. Accordingly, as part of this Engagement, we will not express any opinion or other form of assurance on financial statements of the Company.
- 2.4 **Prospective financial information** - In the event the Services involve prospective financial information, our work will not constitute an examination or compilation, or apply agreed-upon procedures, in accordance with standards established by the American Institute of Certified Public Accountants or otherwise, and we will express no assurance of any kind on such information. There will usually be differences between estimated and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material. We will take no responsibility for the achievability of results or events projected or anticipated by the management of the Company.

### 3. Additional Services

- 3.1 **Responsibility for other parties** – The Company and the Company shall be solely responsible for the work and fees of any other party engaged by the Company to provide services in connection with the Engagement regardless of whether such party was introduced to the Company by us. Except as provided in this Engagement Contract, we shall not be responsible for providing or reviewing the advice or services of any such third party, including advice as to legal, regulatory, accounting or taxation matters. Further, we acknowledge that we are not authorized under our Engagement Contract to engage any third party to provide services or advice to the Company, other than our agents or independent contractors engaged to provide Services, without the Company's written authorization.

### 4. Confidentiality

- 4.1 **Restrictions on confidential information** – All parties to this Engagement Contract agree that any confidential information received from the other parties shall only be used for the purposes of providing or receiving Services under this or any other contract between us. Except as provided below, no party will disclose other contracting party's confidential information to any third party without such party's consent. Confidential information shall not include information that:
- 4.1.1 is or becomes generally available to the public other than as a result of a breach of an obligation under this Clause 4.1;
  - 4.1.2 is acquired from a third party who, to the recipient party's knowledge, owes no obligation of confidence in respect of the information; or
  - 4.1.3 is or has been independently developed by the recipient (without the use of confidential information).
- 4.2 **Disclosing confidential information** – Notwithstanding Clause 1.1 or 4.1 above, all parties will be entitled to disclose confidential information to a third party to the extent that this is required by valid legal process, provided that (and without breaching any legal or regulatory requirement) where reasonably practicable not less than 2 business days' notice in writing is first given to the other parties.
- 4.3 **Citation of engagement** – Without prejudice to Clause 4.1 and Clause 4.2 above, we may cite the performance of the Services to our clients and prospective clients as an indication of our experience, unless we and you specifically agree otherwise in writing.
- 4.4 **Internal quality reviews** – Notwithstanding the above, we may disclose any information referred to in this Clause 4 to any other FTI entity or use it for internal quality reviews; *provided*, that we shall cause such persons to keep such information confidential in accordance with the terms of this Engagement Contract.
- 4.5 **Maintenance of workpapers** – Notwithstanding the above, we may keep one archival set of our working papers from the Engagement, including working papers containing or reflecting confidential information, in accordance with our internal policies; *provided*, that we shall keep such materials confidential in accordance with the terms of this Engagement Contract.

### 5. Termination

- 5.1 **Termination of Engagement with notice** – This Agreement is terminable by the Client or by FTI at any time upon the giving of thirty (30) days written notice. Upon such termination by the Client (the "Termination Date"), FTI shall cease work and the Client shall have no further obligation for fees and expenses of FTI arising or incurred after the Termination Date, provided, however, that, notwithstanding any termination by the Client or by FTI in the circumstances described in paragraph (a) under "Additional Provisions Regarding Fees" in the Engagement Letter,

The Client shall reimburse FTI for its out-of-pocket expenses (the "Termination Expenses") incurred in connection with commitments made by FTI prior to the Termination Date with respect to advance travel arrangements reasonably incurred, to the extent FTI is unable to obtain refunds of such expenses. FTI shall provide the Client with reasonable documentation to substantiate all Termination Expenses for which payment is requested.

- 5.2 **Continuation of terms** – The terms of the Engagement that by their context are intended to be performed after termination or expiration of this Engagement Contract, including but not limited to, Clauses 3 and 4 of the Engagement letter, and Clauses 1.1, 4, 6 and 7 of the Standard Terms and Conditions, are intended to survive such termination or expiration and shall continue to bind all parties.

## **6. Indemnification, Insurance and Liability Limitation**

### **6.1 Indemnification –**

Subject to any limitation post-petition required by the Bankruptcy Court, the Client agrees to indemnify and hold harmless FTI and its shareholders, directors, officers, managers, employees, contractors, agents and controlling persons (each, an "Indemnified Party") from and against any losses, claims, damages or expenses, or if same was or is or becomes a party to or witness or other participant in, or is threatened to be made a party to or witness or other participant in, any threatened, pending or completed action, suit, proceeding or alternative dispute resolution mechanism, or any hearing, inquiry or investigation, in each case by reason of (or arising in part out of) any event or occurrence related to this agreement or any predecessor agreement for services or the fact that any Indemnified Party is or was an agent, officer director, employee or fiduciary of the Client, or by reason of any action or inaction on the part of any Indemnified Party while serving in such capacity (an "Indemnifiable Event") against expenses (including reasonable attorneys' fees and disbursements), judgments, fines, settlements and other amounts actually and reasonably incurred in connection with any Indemnifiable Event. The Application shall include the assumption by the Client of FTI's right to indemnification in respect of its actions under this Agreement prior to the Petition Date. The Indemnified Party shall promptly forward to the Client all written notifications and other matter communications regarding any claim that could trigger the Client's indemnification obligations under this Section 6. If the Client so elects or is requested by an Indemnified Party, the Client will assume the defense of such action or proceeding, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the reasonable fees and disbursements of such counsel. In the event, however, such Indemnified Party is advised by counsel that having common counsel would present such counsel with a conflict of interest or if the defendants in, or targets of, any such action or proceeding include both an Indemnified Party and the Client, and such Indemnified Party is advised by counsel that there may be legal defenses available to it or other Indemnified Parties that are different from or in addition to those available to the Client, or if the Client fails to assume the defense of the action or proceeding or to employ counsel reasonably satisfactory to such Indemnified Party, in either case in a timely manner, then such Indemnified Party may employ separate counsel to represent or defend it in any such action or proceeding and the Client will pay the reasonable fees and disbursements of such counsel; provided, however, that the Client will not be required to pay the fees and disbursements of more than one separate counsel (in addition to local counsel) for an Indemnified Party in any jurisdiction in any single action or proceeding. In any action or proceeding the defense of which the Client assumes, the Indemnified Party will have the right to participate in such litigation and to retain its own counsel at such Indemnified Party's own expense. The Client further agrees that the Client will not, without the prior written consent of the Indemnified Party (which consent shall not be unreasonably withheld or delayed), settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the Indemnified Party or any other Indemnified Party is an actual or potential party to such claim, action, suit or proceeding) unless (i) to the extent that such settlement, compromise or consent purports directly or indirectly to cover the Indemnified Party or any other Indemnified Party, such settlement, compromise or consent includes an unconditional release of the Indemnified Party and each other Indemnified Party from all liability arising out of such claim, action, suit or proceeding, or (ii) to the extent that such settlement, compromise or consent does not purport directly or indirectly to cover the Indemnified Party or any other Indemnified Party, the Client has given the

Indemnified Party reasonable prior written notice thereof and used all reasonable efforts, after consultation with the Indemnified Party, to obtain an unconditional release of the other Indemnified Parties hereunder from all liability arising from all liability arising out of such claim, action, suit or proceeding. The Indemnified Party shall not enter into any closing agreement or final settlement that could trigger the Client's indemnification obligations under this Section 6 without the written consent of the Client, which shall not unreasonably be withheld or delayed or conditioned. The Client will not be liable for any settlement of any action, claim, suit or proceeding affected without the Client's prior written consent, which consent shall not be unreasonably withheld or delayed or conditioned, but if settled with the consent of the Client or if there be a final judgment for the plaintiff, the Client agrees to indemnify and hold harmless the Indemnified Party from and against any loss or liability by reason of such settlement or judgment, as the case may be.

- 6.2 **Insurance** –In addition to the above indemnification and provision regarding advancement of fees/expenses, FTI employees serving as directors or officers of the Company or its affiliates will receive the benefit of the most favorable indemnification and advancement provisions provided by the Company to its directors, officers and any equivalently placed employees, whether under the Company's charter or by-laws, by contract or otherwise. The Company shall specifically include and cover employees and agents serving as directors and officers of the Company or affiliates from time to time with direct coverage under the Company's policy for liability insurance covering its directors, officers and any equivalently placed employees. Prior to FTI accepting any director or officer position, the Company shall, at the request of FTI, provide FTI a copy of its current D&O policy, a certificate of insurance evidencing the policy is in full force and effect, and a copy of the signed board resolutions and any other document that FTI may reasonably request evidencing the appointment and coverage of the indemnitees. The Company shall maintain such D&O insurance for the period through which claims can be made against such persons. In the event the Company is unable to include FTI employees and agents under the Company's policy or does not have first dollar coverage acceptable to FTI in effect for at least \$10 million, FTI may, subject to the prior written consent of the Company, attempt to purchase a separate D&O insurance policy that will cover the FTI employees and agents only. The cost of the policy shall be invoiced to the Company as an out-of-pocket expense. Notwithstanding anything to the contrary, the Company's indemnification obligations in this Section 6 shall be primary to (and without allocation against) any similar indemnification and advancement obligations of FTI, its affiliates and insurers to the indemnitees (which shall be secondary), and the Company's D&O insurance coverage for the indemnitees shall be specifically primary to (and without allocation against) any other valid and collectible insurance coverage that may apply to the indemnitees (whether provided by FTI or otherwise).

In connection with this engagement Client represents to FTI that (i) it has timely remitted and will continue to timely remit to the appropriate beneficiaries all employee source deductions, payroll and other taxes, benefits deductions, and contribution to employee benefit programs, and has timely collected and remitted sales and use and other similar taxes to appropriate collecting authorities and will continue timely to do so; (ii) there is no litigation or other proceeding pending, or to knowledge of Client, threatened (nor is Client aware of facts that could give rise to such), in each case that seeks or could give rise to personal liability of officers and directors of Client; and (iii) Client has been in continuing compliance with all applicable laws and regulations concerning the discharge, treatment, storage, transportation or use of hazardous materials and is aware of no facts or circumstances that could give rise to Client responsibility or liability under such laws and regulations.

6.3 **Limitation of liability –**

You and the Company agree that no Indemnified Person shall have any liability as a result of your retention of FTI, the execution and delivery of this Engagement Contract, the provision of Services or other matters relating to or arising from this Engagement Contract, other than liabilities that shall have been determined by final non-appealable order of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of an Indemnified Person or Persons. Without limiting the generality of the foregoing, in no event shall any Indemnified Person be liable for consequential, indirect or punitive damages, damages for lost profits or opportunities or other like damages or claims of any kind.

7. **Governing Law, Jurisdiction and WAIVER OF JURY TRIAL** — The Engagement Contract shall be governed by and interpreted in accordance with the laws of the State of New York, without giving effect to the choice of law provisions thereof. The Bankruptcy Court having jurisdiction over the Client's Bankruptcy case shall have exclusive jurisdiction in relation to any claim, dispute or difference concerning the Engagement Contract and any matter arising from it. The parties submit to the jurisdiction of such Courts and irrevocably waive any right they may have to object to any action being brought in these Courts, to claim that the action has been brought in an inconvenient forum or to claim that those Courts do not have jurisdiction. TO FACILITATE JUDICIAL RESOLUTION AND SAVE TIME AND EXPENSE, YOU, THE COMPANY AND FTI IRREVOCABLY AND UNCONDITIONALLY AGREE NOT TO DEMAND A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THE SERVICES OR ANY SUCH OTHER MATTER.

**Confirmation of Standard Terms and Conditions**

Subject to the terms and conditions of the Engagement Letter, we agree that FTI Consulting, Inc. is engaged upon the terms set forth in these Standard Terms and Conditions as outlined above.

This Addendum is in connection with the Counsel’s/Client’s request that FTI Tech provide additional services to Counsel and the Client pursuant to the terms of the Engagement Contract. This Addendum confirms that we have been retained by the Client to provide certain consulting services (the “Services”) as set out below. The term of this Addendum shall begin on the date that you execute this Addendum and terminate upon completion of the Services, unless otherwise extended by agreement of the parties. References in the Engagement Contract and in this Addendum to FTI shall include both FTI Consulting, Inc. and FTI Consulting Technology LLC.

**2. Scope of our Services**

The Services, to be performed at your direction, are set forth on Exhibit A, attached hereto.

**4. Additional Terms and Conditions Governing the Services**

The Engagement Contract is hereby amended with respect to the Services by adding the following provisions:

Depending on certain state and/or municipality regulations, FTI may be required to collect sales and use tax on certain of FTI's products and services. Alternatively, client shall provide documentation of direct pay certification or exemption from such taxes.

Neither the Client nor its Counsel acquires any interest in the copyright or any other intellectual property rights, including but not limited to any source code, enabling technology, information or other processes, know-how, scripts or sub-routines in or related to any software owned or licensed by FTI (the "FTI IP"). Except as expressly set forth herein, all rights and licenses granted to Client are non-transferable and non-assignable. Client may make a reasonable number of back-up copies of the FTI IP in accordance with its normal backup procedures so long as all copyright and other proprietary rights notices are included on all copies. FTI reserves all rights not expressly granted herein. Client acknowledges and agrees FTI shall be the sole and exclusive owner and copyright proprietor of all rights and title in and to the FTI IP in whatever stage of completion. Except as otherwise agreed to by FTI, no express or implied license or right of any kind is granted to Client regarding the FTI IP including, but not limited to, any right to know, use, produce, receive, reproduce, copy, market, sell, distribute, transfer, modify, or adapt the FTI IP or create derivative works based on the FTI IP or any portions thereof, or obtain possession of any source code or other technical material relating to the FTI IP. The FTI IP specifically excludes the content of any documents collected by or furnished to FTI by or on behalf of the Client or its Counsel which shall remain the sole and exclusive property of Client (the "Client Data"). The Client represents and warrants that the Client is the owner of the Client Data or otherwise has the express right to provide the Client Data to FTI in connection with FTI's provision of services hereunder.

In the event FTI's provision of Review Services (as defined herein) shall be performed using Client's or Counsel's software (the "3<sup>rd</sup> Party Software") licensed by Client or Counsel (the "Licensee"), the Licensee represents and warrants to FTI that the Licensee has the right to grant to FTI and the Reviewers (as defined herein) a sublicense to use the 3<sup>rd</sup> Party Software in connection with FTI's provision of Review Services. Document review services (the "Review Services") requested by Client will be performed by FTI or a subcontractor of FTI (together, the "Reviewers"). The Reviewers are subject to the same conflict of interest and confidentiality undertakings as those set forth in this letter of engagement. Notwithstanding the foregoing, FTI shall be entitled to disclose the existence of this engagement to other law firms engaging FTI for Review Services solely for such law firm's conflict review purposes. Client, Counsel and FTI acknowledge and agree that the Review Services shall include document review for both responsiveness and

privilege purposes. Client, Counsel and FTI further acknowledge and agree that FTI is not a law firm, Counsel shall oversee the responsiveness and privilege review, the Review Services will be at the direction of Counsel, and all final determinations regarding relevance, privilege and production shall be in the sole determinations of Counsel.

If the Technology services involve, or are expected to involve, the processing of (i) personal data as governed by Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016, and/or (ii) personal information as governed by the California Consumer Privacy Act, the terms of the FTI Consulting Data Protection Addendum (the "DPA") shall apply to this Engagement and it shall form an integral part of this Engagement Contract and shall supersede the terms of Schedules A and B with respect to the Technology services. In the event of a conflict between the terms of this Engagement Contract and the terms of the DPA, the terms of the DPA shall prevail in relation to the processing of such personal data or personal information. ## Appendix A - Description of Unit Fee Services

---

Unit fee services include standardized processes that utilize a mix of FTI software and personnel. FTI measures the consumption of these services based on the number of units that are either inputs to or outputs of the service. Any hours required for these standardized services are included in the unit fee and not charged separately.

### Forensic or Logical Data Collection, In-Lab Extraction and Evidence Management

FTI will deploy computer forensics professionals to assess, document and collect electronically stored information from applicable client systems using industry accepted, proven methodologies. This service includes forensic or logical data collection using industry standard forensic tools, thorough documentation and chain of custody procedures, verified backups of all harvested data, and extraction of relevant data. Unit fees potentially applicable for collection appear below. Alternatively, forensic collection may be charged on an hourly basis (see Appendix B).

*Custodial Collection:* A typical unit-based custodian collection will include the preservation of a user's computer, a server e-mail account, a network home share and associated removable media.

*Hard Drive Collection:* Forensic collection of data resident on more than six hard disks at a single location may be charged as a unit fee based upon the number of hard disks preserved. This unit fee requires that the collection occurs concurrently and that full disk encryption is not being utilized.

*Forensic image extraction* for the purpose of culling or otherwise preparing data for loading to the review platform is the process whereby business documents and email data files are identified and extracted from a forensic image of a hard disk drive or other media source. This process also includes the recovery of deleted business documents and email data files. If data was collected using forensic images it is necessary to extract the data from the image prior to processing the data for online review.

### Forensic Indexing

For searching which is limited to a forensic examination, this service renders forensic data searchable (including deleted files and system usage artifacts). This allows FTI's computer forensic experts to quickly and efficiently uncover information that may otherwise not be found.

### Processing

Processing includes:

- File cataloging, extraction, decompression, and de-duplication using the MD5 hash algorithm;
- Extraction of emails and attachments;
- File type identification using header analysis;
- Identification of key languages present within documents;
- Indexing for keyword and metadata culling;

### On-Demand Hosting and User Fees

The review and ECA tools are scalable and secure document review or ECA platforms accessible via a standard web browser. They provide integrated document review, analysis, redaction and production capabilities. They are Unicode compliant and include a configurable database model with end user field creation, interface customization and workflow management.

FTI provides hosted review services which include:

- All server software and data center infrastructure necessary the platform;
- Initial database creation and media intake of data for culling or loading operations when provided in standard formats;
- Search and reporting features;
- Granular security model for customized access at the case, group, document or field level;
- Comprehensive security at a network, application and facilities level;
- System administration and monitoring of load balanced environment, including management of indexes;
- Backup and recovery, including data replication and disaster recovery operation;
- Troubleshooting connectivity or search execution, and navigation of the application that does not rely on substantive knowledge of the case; and
- Standard (non-case specific) technical support and account management functions during extended business hours, accessible through a toll-free number.

### TIFF File Generation, OCR and Production Endorsements

The software generates TIFF images when requested and can be redacted, annotated and endorsed for production. Tiffing features include:

- The un-hiding of spreadsheet rows and columns
- Auto-expansion of cells to prevent text cut-off
- Replacement of auto-date fields
- Option to show track changes
- Option to show comments

Production branding is the process of endorsing Bates numbers, redactions, and custom footers on separate copies of the TIFF images for production. The same images can be branded in different ways for different productions.

The production module allows end users to calibrate the settings of each production set to specific requirements. Once a production is 'locked', a production rendition is created. The rendition is a copy, or alternate version, of a document with its production endorsements as well as the associated metadata as it exists at the time of production.

OCR functionality generates document level text files. OCR can be used to make images keyword searchable and to create new text files for production renditions.

### Forensic Image Hosting

During the course of a forensic examination / data extraction, it is often advisable to keep a copy of the forensic image hosted on FTI's servers so multiple forensic tools can access the same data. We provide three months of Forensic Image Hosting during our initial examination / data extraction. If the client desires the data continue to be accessible online for longer matters, a monthly fee applies after three months.

### Machine Language Translation

FTI's Machine Language Translation service enables real time translation of native documents in sixteen (16) languages. Foreign language documents are submitted for automated translation and the results can be displayed side-by-side with the native document. Translated text is searchable and reviewable.

### Human Language Translation

FTI also offers human translation of native documents. Human translation is available for over 115 languages. The results from foreign language documents submitted for translation can be displayed side-by-side with the native document. Translated text is searchable and reviewable.

Special handling may also be required to image/TIFF and OCR these documents as well, including but not limited to corrupt files, custom DPI settings and characters, PDFs with comments, poor-quality images, large or difficult to render graphics, oversized files, CAD files, or file types requiring proprietary licenses. Upon request, FTI will manually address these non-standard exceptions on an hourly basis.
